

Applied Math 20

Mr. S. Carlson
scarlson207@gmail.com
Room 207

Goals

Our focus in Applied Math 20 will be for you to

1. Discover practical applications of Mathematics.
2. Develop problem-solving skills.
3. Practice new mathematical skills and processes.
4. Use technology effectively and appropriately.

Assessment

Your mark will be determined by your performance on projects, assignments and exams. All your unit exams will be cumulative. Your final mark will be determined as detailed below.

Unit Exams:	50%
Projects	20%
Final Exam	30%

Math Tutorial

I am available Tuesday and Thursday from 12:50 until 1:10 to help you with any problems you experience. Please see me at the **first** sign of difficulty.
