

**Goals**

In this class we will prepare you to

- solve problems
- communicate and reason mathematically
- make connections between mathematics and its applications
- become mathematically literate
- appreciate and value mathematics
- make informed decisions as contributors to society.

**Evaluation**

Your mark will be determined by your performance on quizzes, assignments and exams. All your unit exams will be cumulative. Your mark will be determined as follows:

Assignments	20%
Unit Exams	50%
Final Exam	30%

**Math  
Tutorial**

I am available on Tuesday and Thursday from 12:50 until 1:10 to help you with any problems you experience.
