

# Pure Math 20

*Mr. S. Carlson*  
*Room 207*  
*scarlson207@gmail.com*

## **Goals**

Our focus in Pure Math 20 will be for you to

1. Learn to precisely communicate Mathematics.
2. Improve your thinking and reasoning skills.
3. Prepare for Pure Math 30.

## **Assessment**

Your mark will be determined by your performance on quizzes, assignments and exams. Your mark will be calculated using the following weights:

Unit Exams:	50%
Assignments:	20%
Final Exam:	30%

## **Math Tutorial**

I am available in Room 207 during the lunch break on Tuesdays and Thursdays. Times are posted on the door. Please come see me at the first sign of difficulty.
