# Spartan Update

Empowering a Community of Accomplished and Caring Citizens!

## Principal's News

With the start of the second semester underway, we want to thank everyone for your continued support of our students, staff, and school. We have some exciting initiatives planned for the Spring, and I am confident that with your continued support and collaboration, we will be able to achieve great things!

Our diploma exam results were excellent. Last year we were above the provincial average in almost all categories. We were 10% above the provincial average in Math. We are all continuing to work very hard to continue to grow and improve as a school.

I want to thank parents for completing our survey in the fall. The survey results have had an impact on how we communicate with parents. We are always looking for better and improved ways to communicate and involve parents.

Our final Parent Teacher Interview for the school year will be conducted on Wednesday, March 22nd starting at 5:00 pm. More information will be sent out soon. Please check back on our website at [www.strathmorehighschool.com](http://www.strathmorehighschool.com) for more information.

Next newsletter we will be providing information regarding course selections for next year, graduation, and some of our upcoming fine art production and athletic events.
